After taking note of the general conditions of use, click on > **Accept**

Terms and conditions of use of the CIEPP online services for insured persons

Please read our terms and conditions of use carefully.

GENERAL CONDITIONS OF USE OF THE ONLINE SERVICES FOR CIEPP INSURED PERSONS

1. Purpose

1.1 The present general conditions of use govern the access rights and use of the online services for CIEPP insured persons.

1.2 The rights conferred on the persons insured are non-transferable.

1.3 The use of the online services for CIEPP insured persons and the attribution of access rights are free of charge.

...

11. Final provisions

11.1 The present general conditions of use of the online services for CIEPP insured persons are governed by Swiss law.

11.2 In the event of discrepancy with a translated version of the present general conditions of use, the French version takes precedence.

11.3 The courts of the Canton of Geneva are competent for all disputes relating to these conditions. However, the CIEPP is authorised to take action against the User before the courts of his domicile.

11.4 By clicking on the button « accept » when registering online, the User has expressly declared that he has read, understood and accepted unreservedly the present general conditions of use of the online services for CIEPP insured persons.
